provides immediate pay raises, defined schedule and work rules for 60 Silver Airways Flight Attendants. Read more >

New Changes Coming to DOT Testing Rule in 2018

The Department of Transportation (DOT) is making changes to the DOT Testing rule which will take effect January 1, 2018. The link provides a summary of some important changes and how they will affect Flight Attendants. Four semi-synthetic opioids have been added for DOT testing: hydrocodone, oxycodone, hydromorphone, oxymorphone.

This new rule takes effect January 1, 2018. Reference full details >
